In response to a request from your office, my office has determined that the BCC can pursue a suit against the Board of Adjustment. If you make the decision to sue, an attorney other than Alex will be in charge of the suit. Further, I have directed Alex to have no further contact with the Board of Adjustment at least at this point.

The decision of the Board of Adjustment on the "Brooks Hotel" variance request was filed on July 16, 2007. Any suit would need to be filed on or before August 15, 2007. My office will require at least 10 days to prepare the court documents.

Please contact me with your decision prior to August 5th.
